#### Representative from Other Agencies:

- \* Shrika Montgomery from Georgia Vocational Rehabilitation Agency

### OUR KEYNOTE SPEAKER

Teresita Warren from Georgia State University will give a PowerPoint Presentation focusing on the differences between high school and college. She will provide information to students with disabilities on how they can prepare to transition to college and stay in college.

### ***Equip yourself with the information needed to achieve success after high school.***

The main entrance is located at the end of the car-rider lane to Henry County High School.

If you are facing the Henry County Performing Arts Center, there will be a smaller parking lot to the right. Take that lot to the end where there is a turn-around. Our main entrance is located here. On the brick wall in black lettering, it will say "Academy for Advanced Studies". We are right through those double doors.
